Date: May 14, 2023

To Whom It May Concern (Businesses, Pastors, Youth Leaders, Youth Organizations),

The Communities Working to Unite Youth (CWUY) 501C3 Organization invites your business or organization's youth to join our CWUY Youth Advisory Council campaign called "Let the Youth Speak". This is a back-to-school initiative to help Rankin County's youth go back to school with a positive attitude for a successful school year.

On Saturday, August 5, 2023, we expect youth from across Rankin County to encourage their peers by advertising positive back-to-school messages.

Please consider networking with us as a business by providing our youth with a secure place to stand while campaigning. Alternatively, if you have a youth group willing to join our campaign, we will be preparing posters on August 4, 2023, followed by a message display on August 5, 2023. The time and place will be arranged.

If you are willing to participate, please contact the co-leaders of CWUY Youth Advisory Council by June 15, 2023: Tommye Morris at 601-594-4662 or Margaret Thompson at 601-672-9102.

Thank you in advance,

LaToya McNair, CWUY Board President

Equipping our youth and their families with tools for today!
